CONTROLLER OF EXAMINATION

Annual report 2021-22

Rohilkhand University was established in 1975 as an affiliating University; with its headquarters in Bareilly, to cater the growing demand for a centre of higher education in Rohilkhand region. The status of the university was upgraded to affiliating-cum-residential university in 1984 when four teaching departments were established in the campus. In 1986 three more Departments were added. The University took a major step in 1995 by introducing additional professional courses in Engineering & Technology, Management, Education & Allied Sciences, etc. In August 1997, Rohilkhand University was renamed as Mahatma Jyotiba Phule Rohilkhand University after the great social reformer and thinker of the nineteenth century who was also a pioneer for women education in India. Today the University is an educational federation of University Campus Departments and Colleges spread over nine districts of Western Uttar Pradesh stretching to 31,287 square kilometres and sheltering more than thirty million people with over five lakh sixty thousand students. There are Six Faculties and Twenty-four Departments in the University Campus spread over a lush green area of 206.7 acres, 09 constituent colleges and 587 affiliated colleges that prepare the students for graduate, post-graduate, and doctoral degree courses, as well as for many certificate and diploma programmes, in various fields of study.

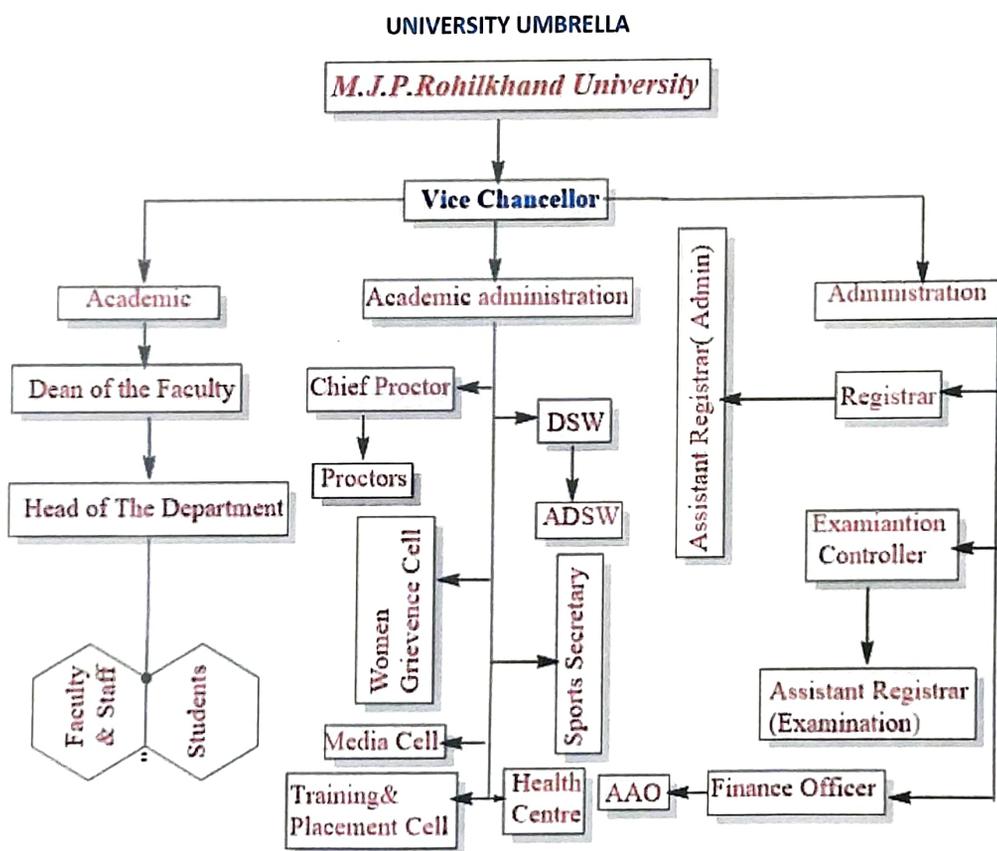

MJP Rohilkhand University is a truly multi-dimensional and multi-disciplinary university by virtue of having almost all of the major as well minor streams of global knowledge, subjects, disciplines, and courses/programmes either on its campus or on the premises of the constituent and affiliated colleges. It has been at the fore-front of universities in the country and state in adopting and implementing NEP 2020. In the University campus there is twenty four departments under six faculties as:

- 1 Faculty of Engineering & Technology**
 1. Computer Science & Information Technology
 2. Electronics & Communication
